TOWN WARRANT

State of New Hampshire

To the inhabitants of the Town of Meredith qualified to vote in Town affairs:

You are hereby notified to meet in Town Hall in said Town on Tuesday, the thirteenth day of March, 1917, at nine of the clock in the forenoon, to act upon the following subjects:

1 To bring in your ballots for Town Clerk, three Selectmen, Treasurer, two Auditors, Collector of Taxes, Police Officer, and Board of Trustees of Trust Funds, one member for three years, one for two years, and one member for one year.

2 To choose all other necessary officers.

3 To raise such sums of money as may be necessary for the repair of Highways and Bridges, and specify how the same shall be laid out.

4 To see what sum of money you will raise toward the maintenance of Highways under State Aid

5 To raise such sums of money as may be necessary for Town Charges.

6 To see how much the Town will raise to defray the

Town of Meredith

expenses of Memorial Day and specify how the same shall be expended

7 To see how much the Town will raise toward defraying the expense of the Town Library.

8 To see what action the Town will take relative to leasing the Town Hall.

9 To see what sum of money the Town will raise for the support of Firemen and protection of property in the Meredith Village Fire District.

10 To see what sum of money you will vote to raise for the payment of outstanding Notes against the Town.

11 To see what action the Town will take in relation to the acceptance of State Aid for Highways, and to raise money therefor.

12 To see if the Town will vote to continue the Fish Propagation work and raise money therefor.

13 To see if the Town will vote to continue the improving of the Meredith Neck Highway, so called, and raise money therefor.

14 To see if the Town will vote to replace the present bridge on Winnepesaukee street with a steel and concrete structure, and raise money therefor.

15 To see if the Town will vote to co-operate with the U. S. Department of Agriculture in exterminating the Gypsy Moth investigations in this section, and raise money therefor.

16 To see if the Town will vote to drain and improve the existing highway on Lang Street, and raise money therefor.

Town of Meredith

17 To see if the Town will vote to build a new Ferry boat for use between Meredith Neck and Bear Island, and raise money therefor.

18 To transact any other business that may legally come before this meeting.

Given under our hands and seal this 21st day of February, 1917.

JAMES F. ESTES

And the Lake Winnepesaukee Association contributed	264 41

\$514 41

Through the untiring efforts of Mr A. B. Black, Sec.-Treas. of the Lake Association, our fish account was made a success. About 200,000 fingerlings were put in Lakes Waukewan and Winnepesaukee; steel-head trout in Waukewan, and Chinook and land-locked salmon and Rainbow trout in Winnepesaukee. Great care was exercised in the feeding and transferring of trout and it is confidently expected that in a few years the fishermen will reap the benefit of our work.

Much credit is due Mr. N. D. Morrison for his excellent care of the fish. No charge was made for the use of grounds and water supply. The work can be carried along now at a small expense as the dam and tanks are complete and the only cost would be for feeding the fish.

In submitting this report for the year ending Feb. 15, we have followed the uniform system of accounting suggested by the State Tax Commission. This coming year the town officers will have the uniform system of accounts, the books and forms for which have been ordered and received.

We feel that an explanation is due the citizens for the increase of liabilities over the assets as shown in this report as compared with that of last year.

We came into office with a balance of \$228.35 in the treasury and the following bills due April 1st :

Dog Tax balance due schools	\$ 179 34
Surveyors of 1915	1,406 18
Overdue interest on notes	421 23
	<hr/>
	\$2,006 75

This was in addition to the ordinary running expenses, for which there was no income available until the taxes were given to the Collector.

The Board of Selectmen have endeavored to keep within Appropriations and have been successful in every instance but that of Town Maintenance, for which we raised \$4,000 in the March meeting of 1916. (Highways and Bridges) It has cost practically \$2,000 to handle the snow since Feb. 15, 1916; in addition we faced the increased cost of labor and materials plus the severe rains of the early summer.

We have put the matter clearly before you in the report. We have paid all bills and interest to date. If careful pro-

Town of Meredith

vision is made for each department at our March meeting, there is no reason why the incoming town officers cannot materially reduce the debt in 1917.

The sidewalks have been recoated on nearly two thirds of the village. The Main St. Concrete has been thoroughly repaired; permanent improvements have been made in Dis. 11 and Dis. 12 which will reduce the maintenance in 1917.

With the new road well started on Meredith Neck, in addition to other improvements, we feel that although the expense has been greater than we anticipated when the Highway and Bridge money was raised, the town has something permanent to show for its money.

Respectfully submitted,

Report of Trustees of Meredith Public Library

The past year has been one of quiet, but steady progress in our library work. A new charging system was installed the first of July which makes it easier to keep track of the books. The circulation is the largest yet recorded, being fifteen hundred more than last year, and several new homes in remote parts of the town have been reached.

It is hoped that in the near future the library may be kept open a part of every day, thereby accommodating out of town patrons and making its resources constantly available. This would mean an increased appropriation, but the town could make no better investment or add more to its property valuation than in worthily maintaining a free library.

It must be borne in mind that the general high cost of living affects the library as well as everything else. Paper is now so expensive that the first cost of a book is more than formerly. The item of rebinding is considerable, owing to a large increase in binder's prices.

The circulation for the past year has been

SCHOOL REPORT

To the Selectmen of Meredith:

As the State Superintendent and the Tax Commission both suggest that a report be published according to their forms for the financial year, we submit the following to be printed in the Town Report.

Our report to the State Superintendent July 15th contains full statistics of the attendance for year from September to June, and we cannot readily furnish a report in the middle of the school year.

We would say, however, that we have endeavored to give all the scholars in town equal advantages. All elementary schools have kept thirty three weeks during the year and there have been more rural schools required than formerly owing to more scholars in some sections.

Both schools on Meredith Neck have been open, the one on the Center Harbor road, on Ladd Hill, the Che-mung School, Edgerly School, and Meredith Center School.

The High School has had a three year course the present year, and there are now eight tuition pupils coming from adjoining towns. Only four are going from Meredith to other schools.
